Prokudin Bogdan

Date of Birth: May 8, 2007

Contact Phone: +380989801281

E-mail: prokudinbogdan@gmail.com

Location: Dwingeloo, Netherlands

Goal

Enthusiastic and aspiring React developer at the age of 16, seeking an opportunity to gain hands-on experience in building web applications using React. Eager to actively engage in professional environments, learn, and grow under the guidance of experienced developers. Ready to contribute actively to projects, aiming to expand knowledge and skills in front-end development, particularly focused on React.

Languages

- English: Intermediate (B1)
- Russian, Ukrainian: Native
